A Message from the Board

Sincerest apologies, and thank you for your patience and understanding regarding the change of date that was necessary for our Annual General Meeting. As you all know by now - the revised date is June 14th at the Burnaby Arts Council's Deer Lake Gallery at 6584 Deer Lake Avenue, Burnaby. This final meeting for the 2006 - 2007 season will begin promptly at 7pm.

As has always been the practice, Member Groups who have applied for Operating Grants are required to be in attendance in order to receive their award.

The Burnaby Arts Council is extremely appreciative of the current exhibitionists, Norm Corridor and Patricia Haley Tsui for being so pleasantly accommodating over our request that they please make adjustments in their display prior to and after our upcoming AGM so that we can use this beautiful facility for the year-end meeting. It is this type of attitude and teamwork that make all our volunteer hours truly worthwhile.

By now you will have heard that Ms. Haley-Tsui's very accomplished son-in-law opened the show on June 2. This was an interesting departure from the norm—another fine example of “thinking outside the box” and working together as a team.

We wish Amanda, our wonderful Katimavik student all the very best as she leaves for home in mid June. She has been such an asset to all of us.

Sincerely,
Harriet Tuey

Member Profile of the Month:

BURNABY INTERNATIONAL FOLK DANCERS

Created by folk dancing enthusiasts attending dance classes offered by the Burnaby Parks, Recreation and Cultural Services department in the seventies, the Burnaby International Folk Dancers (BIFD) have been introducing Burnaby to the music and dances of the world since 1979. The group meets once a week from September to May, to teach new dances and perform old favourites in a relaxed and friendly atmosphere. Newcomers are always welcome, and one does not need a partner to join in a variety of dances from all over the world. This year, to compliment its international dance program, BIFD is also offering *Traditions*, a program focusing on the dances and joie de vivre of French-Canada. Both programs have performers who are always willing to don their colourful costumes and perform a sampling of dances from several countries—and even teach a few dances. Many families have enjoyed performances at the Burnaby Village Museum, Discovery Day, or at a school. *Traditions* meets on Tuesdays from 6:30 to 7:30 p.m. at Charles Rummel Centre, 3630 Lozells. BIFD's international program follows at 7:30. For information, contact Lucie Babin at 604-299-0307 or lbabin@shaw.ca.
